Travis agreed with supporting the “no cap” decision. Bill stated he would like to see the district move in a more generous direction with the community with special consideration to the recent levy passing. Assignment (It shall be reasonable for VPD's to withhold consent to a proposed sublet or assignment of this lease if the proposed use is (i) not compatible with use of the Leased Property as a library, and (ii) not permitted under applicable zoning regulations.</p> <p>David is voting against the lease as it removes all of VPD ability to negotiate, it removes all of Vashon park districts rights to Parcel D, nothing obligates them to Landscaping, the Master Plan and nothing will be contributed to the district as an asset. David stated the building which is deeded back to us in 2017 does have a value yet KCLS recognizes no value of any assets.</p> <p>Mike stated there is intent to address landscaping issues that are compatible to the park.
