

Vashon Park District presents: Weddings in the Parks...

Vashon Park District has some truly gorgeous locations at which to perform your nuptials. Scenic waterfront spots, hidden forested places...we have some true gems. Stop in and talk to our friendly staff at our Ober Park office for ideas, a map, and then you can go and find the perfect place for your perfect day.

Making it Happen...

- A Facility Use Form must be completed to reserve your spot and get your event going. These are available at Ober Park.
- Liability insurance is required and is available through most people's homeowner's policy. You may also ask the staff about insurance options through our carrier.
- Thinking of serving liquor? Ask about how to obtain a special license to do so.
- These are public lands, so the entire park cannot be closed to the general public. Your fee, however, reserves a certain area of the park, and you will find that most people will respect your privacy.
- Portable restrooms are available except at Paradise Ridge and Ober Park, where there are indoor toilets which can be made available for use. Each portable restroom accommodates up to 50 users. You may need to bring in more portable restrooms and we can help you with that process.
- There are no open fires allowed in any of the parks. It is okay to bring in Bar-B-Q's as long as we know ahead and fire extinguishers are available...some sites also have grills available.
- Parking is very limited in some of the parks. Check with staff.
- There are no inside spaces for rent except at Paradise Ridge and Ober Park.
- A damage deposit is required. The charge is calculated according to the number of people attending your wedding.
- All garbage must be removed at the end of your party.

Parks We'd Recommend...

Pt. Robinson Park & Lighthouse—two possibilities here. The upper park includes a large grassy area with picnic tables & a loop trail...the lower park has a meadow by the lighthouse. We also have a beautifully restored rental home at the Lightstation, available weekly all summer long, and booked well in advance, so check with the Office.

Wingehaven—Walk-in only, down a rather steep grade to the remnants of a magical and historic old estate on the water.

Burton Acres/Jensen Point—water access and 68 acres of forested trails including a boat launch, a large grassy area with picnic tables, and lots of beach.

Lisabeula Park—This waterfront park consists of 5.5 acres with a western exposure and incomparable views of the Olympic Mountain peaks. Try a sunset ceremony at Lisabeula.

Paradise Ridge Park—The Island's equestrian park includes 43 acres of walking trails, areas, and a small assembly building.

Agren Memorial Park—This park is a 30-acre gem...thick, healthy forests surround a large grassy field. Excellent trails, frequent eagle sightings, and access to adjacent Fisher Pond and forests complete the Agren Park experience.

Ober Memorial Park—This Park consists of five acres in the middle of downtown Vashon. VPD's offices are located here, and our building includes a performance room and bathrooms. The patio has electricity available, and there is a large playground outside.
